

Parents/Guardians: Welcome to the Randolph College Science Festival!

During the afternoon, we ask that a parent or chaperone **stay on campus** for each child or group of children. If you leave the gym, we ask that you **stay on campus** in case we need to find you.

If you need to remove a child early from Science Day, you must check them out in the gym at the registration table and provide an I.D. or phone number for verification.

We do have a few different things that you can do while you wait.

- Watch all the fun from the bleachers, or just hang out there in the gym; *if you choose to follow the students through the activities, please refrain from participating!*
- Visit to the Organic Garden.
- Wireless access: use "Randolph-Guest"
- Get a cup of coffee or a bite to eat:
 - o Visit **Rookies** ice cream and coffee directly across Norfolk Avenue from the Martin Science Building, opens at 1pm. This weekend they're offering a \$1.00 discount off an ice cream sandwich!
 - o **Cheatham Dining Hall** is open to the public for all-you-can-eat brunch 11am until 1:30pm
 - o **Skeller Grille & Coffee** is open in Main Hall from 12:30pm-4:00pm, and serves quick eats including:
 - Burgers, Fries, Tex-Mex, All-Day Breakfast and more
 - Serves Starbucks
- **Maier Museum**, Randolph's Art Museum (Open 1pm – 5pm)
- **Men's Lacrosse**, WildCat Stadium 12pm
- **Softball**, Softball Field at 1pm & 3pm

Did you know that Randolph offers STEM majors in biology, chemistry, computer science, engineering, engineering physics, environmental studies, environmental science, mathematics, marine science, physics, physics for teachers, and psychology? Randolph ranks in the top **15 percent** of baccalaureate-granting institutions nationwide in the percentage of students who go on to earn a Ph.D. Recently the medical school acceptance rate of our graduates has been nearly **29 percent higher** than the national average.
